# The influence of the Bible

Good Samaritan, sweating blood, forbidden fruit, fire and brimstone, taking a sabbatical, an eye for an eye, a land flowing with milk and honey, scapegoat, spare the rod and spoil the child, pride goes before the fall, a fly in the ointment, woe is me, a drop in the bucket, holier than thou, like a lamb to the slaughter, the skin of my teeth, feet of clay, handwriting on the wall, we reap what we sow, the powers that be, a thorn in my side, money is the root of all evil, nothing new under the sun, and all things to all men.
